Subject: sequence search 09/909,320

Hi,
Last week I requested a rush search for 09/909,320, to search 10 oligos of SEQ ID NO:262. Unfortunately, the wrong SEQ ID NO:269 was searched. I must move this case this week, would you kindly search SEQ ID NO:262, 10 oligos and also full length SEQ ID NO:262? Could you save the search on a disc instead of printing? Thanks.
